Bath Rugby Club Player

SPONSORED BY RICHARDSON GROVES

We are pleased to announce that we will be sponsoring a Bath rugby union player for the 2008/2009 season. After having a fantastic season last year we are proud to once again be associated with the club. The club has a unique sporting presence in Bath and the surrounding area and generates interest from a wide range of existing and potential new clients for Richardson Groves. Our name will be located on the clubs website and alongside a picture of our player, Robbie Kydd in every match day programme. With the programmes alone our logo and name will reach over 100,000 readers.

Robbie is a utility player giving Bath additional options at fly-half, full back and in the centre. He has been welcomed back to Bath from Northampton Saints having played at Bath in the 2003/2004 season. Kydd's ability with the ball should ensure him a number of good starting positions.

We wish Robbie an excellent season.
